MINI TENNIS COURSES

AT BERKHAMSTED LT&SRC

MINI TENNIS RED is the first stage of Mini Tennis and is very important for building skills and confidence. The emphasis is on fundamental sporting skills such as movement and co-ordination, and an introduction to rallying and playing the game.

MINI TENNIS ORANGE introduces children to playing on a $\frac{3}{4}$ length tennis court. The low bounce Orange ball slows the game down to a speed that gives players time to play good basic tennis shots and have maximum fun playing the game!

MINI TENNIS GREEN is the final stage before children move to tennis. Played on a full size tennis court, the Green ball is slightly lower bouncing than a normal tennis ball and helps the children to use good technique and rally consistently. Physical skills continue to be an important part of lessons.

I wish my child to attend:
