## MINI TENNIS COURSES

### AT BERKHAMSTED LT&SRC

**MINI TENNIS RED** is the first stage of Mini Tennis and is very important for building skills and confidence. The emphasis is on fundamental sporting skills such as movement and co-ordination, and an introduction to rallying and playing the game.

**MINI TENNIS ORANGE** introduces children to playing on a ¾ length tennis court. The low bounce Orange ball slows the game down to a speed that gives players time to play good basic tennis shots and have maximum fun playing the game!

**MINI TENNIS GREEN** is the final stage before children move to tennis. Played on a full size tennis court, the Green ball is slightly lower bouncing than a normal tennis ball and helps the children to use good technique and rally consistently. Physical skills continue to be an important part of lessons.

I wish my child to attend:
