## **Room Hire Agreement - Terms & Conditions**

### **Introduction**

These Terms and Conditions, together with a completed booking form, constitute an Agreement between the Hirer and Berkhamsted Lawn Tennis and Squash Rackets Club (BLT&SRC) for the hire of room(s) within the BLT&SRC Clubhouse and surrounding areas. Please make sure that you read and understand this Agreement.

It is assumed that the Hirer has visited the Clubhouse and is familiar with the layout.

BLT&SRC is a members' sports Club and some parts of the Clubhouse will remain open to members during the Hire period. In particular, the Hirer will not have exclusive access to changing rooms, toilets and the Players' Bar.

**The Hirer is responsible for the behaviour of his guests and must ensure that our members' enjoyment of their club is not compromised. Children are not permitted to run around the Clubhouse or grounds unsupervised.**

**Under the Terms of this Agreement the Hirer does not have access to, and must ensure that his/her guests do not access the tennis courts, Indoor Tennis Centre or squash courts (including access corridor and viewing areas).**

### **Facilities available for Hire**

The following facilities are available for hire:-

The Lounge Bar, the Centenary room: A general description of these facilities may be found on the club's website. However, these descriptions do not form a part of this Agreement and it is assumed that the Hirer has visited the club and satisfied him/herself that the facilities are adequate.

For the avoidance of doubt, the Players' Bar and kitchen are not available for hire and may be used by members at any time. The Hirer may not set up equipment, buffet tables or otherwise disrupt members' enjoyment of the Players' Bar. The Hirer and guests may use the Players' Bar for access to and from the lounge bar and for access to other hired facilities.

### **Hire Period and Facilities Hired**

The hire period as detailed on the booking form is the time during which the Hirer has exclusive access to the facilities hired.

The set-up period for all events is from 5pm on the day of the hiring unless otherwise pre-arranged. During the set-up time the Hirer may access the facilities but does not have exclusive access to them. In particular the lounge bar may be in use by members who have the right of access until the Hirer's event starts. The Hirer must ensure that members are able to make use of the facilities during the set-up period. If in doubt, the Hirer should extend the hire period.

The Hirer acknowledges that he/she does not have access to any facilities outside these times. Please do not tell your guests to arrive before the official start time. This is usually 7pm unless another arrangement has specifically been made and detailed on the booking form. This includes for surprise parties.

### **Entry**

BLT&SRC has secure door entry systems but access will be arranged at commencement of the hire period.

### **Decorations and Furniture**

Any decorations, balloons, bunting etc may only be attached with non-marking tape or equivalent. No decorations of any kind may be attached to the papered wall (on which the TV is mounted). The Hirer must not damage the walls or BLT&SRC fixtures and fittings. Furniture (excluding the Trophy Cabinet) may be moved within the clubhouse but not in a way as to interfere with the members' enjoyment of the clubhouse or to block any fire exits. Any item moved must be returned to its original position after the event. The TV and its control box must not be tampered with.

Balloons containing confetti are not permitted unfortunately.
